Matters for Discussion

1. **GRAMA Fees.** Council Member Kindred would like to make it easier on residents to access records without a large fee so he would like to discuss the City's current policy on GRAMA requests as well as the State's policy on GRAMA requests.

City Recorder, Craig Burton, said there is no set fee for GRAMA requests. The City follows State code which states that the fee is based on the lowest paid employee that is trained and able to fill the request. The first fifteen minutes there is no charge.

The Council agreed for the requests that don't take long there would be no charge and for the requests that are more extensive there should be a charge. The City should be able to recoup costs for requests that take a lot of hours.

The Council would like to see what police, fire, etc. charge for GRAMA requests at a future meeting.

2. **Public Park Access.** Council Member Kindred asked what the City's code says about vendors having a booth at the park.

Mayor Wood said that it is not in City code. It is standard operating practice of the City that the only event that is opened up for vendors is the Fourth of July event. Other events in the City such as the Cool Summer Nights event are open to food truck vendors only and these have been approved through a special event permit.

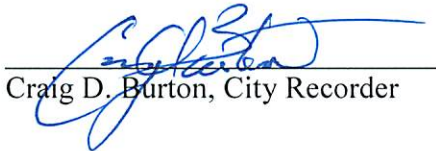

Council Member Kindred gave an example of another city that welcomed all vendors to a movie night event and thinks it enhanced the event. He thinks the City should not be so restrictive at these City events.

Council Member Siwik expressed concern about the potential for First Amendment rights issues but was not clear on legal distinctions.

The meeting adjourned at 6:29 p.m.

Ben Pender, Council Chair

Craig D. Burton, City Recorder
