Mayor's Message – Cheers to Our Community

Mayor Cherie Wood

In this season, we all spend time being grateful for our families and our communities. South Salt Lake is blessed with so many people and groups who are caring for their neighbors and families and working for a better world. We are so fortunate for the team effort making meaningful, long-lasting changes in people's lives. This edition of the newsletter highlights just a few of the many shining stars in our community.

Our community also benefits from a lively, engaged citizenry who embody the spirit of democracy. There are many ways to get involved. Voting is one way to make your voice heard and spur change, as last month's elections just demonstrated. But, it is just one way. Getting

involved in community conversations is just as important. As city leaders, we know we are on the right path (or sometimes in need of a U-turn), when we hear from you, our constituents. This year was particularly interesting as city council and planning commission meetings were packed with passionate people. The debates on the future of Granite High, our fire, ambulance and animal services showed how important our local government decisions are to your daily lives. I thank every one of you who shared your story and got involved.

My hope this season is that our community continues to share this spirit of giving. Your time, energy and passion will lead us into a brighter future. Thank you.

South Salt Lake Angel Tree

Stop by City Hall and visit our Angel Tree from now until mid-December. The tree is located on the 2nd floor of South Salt Lake City Hall (220 East Morris Ave). It is ornamented with tags that have a description of a want and/or need by a local resident. Youth City Council will be accepting and distributing for families in need. Gifts may be dropped off at City Hall. Please don't forget to attach the tag to your wrapped gift so we know who it belongs to. Monetary donations can also be made at the Finance Department on the 2nd Floor. The South Salt Lake Youth City Council would like to thank everyone in advance for participating. Call 801-455-1729 with questions.

New Resident INFORMATION

Snow Removal

The City of South Salt Lake works to provide timely and efficient removal of snow and ice from streets. Residents can assist by keeping the following information in mind:

- Be mindful when the snow starts to fall and accumulate that side-walks need to be free and clear of snow and debris.
 - Snow removal must take place the same day the snow has fallen, unless it falls after 6:00 p.m., it will then need to be removed by 10:00 a.m. the following morning.
 - Do not park on any city street or roadway between the hours of 2:00 a.m. and 6:00 a.m. when snow removal will be necessary.
 - Parking is limited to 72 consecutive hours on any street or in any alley.
- These regulations are enforced for the safety of everyone. Contact Urban Livability at 801-464-6712 with any questions.

UTILITY BOX ART Lexey Otterstrom

We are excited to announce our latest utility box art selection and honor one of our senior citizens, Lexey Otterstrom, the artist. One of our Meals on Wheels volunteers was invited to view a basement full of original paintings in one of our meal recipient's homes. While it was difficult to choose just one, we selected a lovely piece. The original work will be installed on the corner of 300 East and 2700 South. This beautiful piece of art will enhance our community for years to come. Thank you to Lexey for sharing your talents with us. For more information on the City's Utility Box Art program email vlelo@sslc.com.

Volunteer Recreation Coaches

South Salt Lake is a community of people who give. This is seen across the City and our Recreation Volunteers are shining examples. They give unselfishly of their time, energy and talents to see to it that our youth succeed and have fun while doing so. Seen here are photos of some of the coaches at the volunteer dinner: Anthony Martinez, Beth Floyd, Chad Carpenter, Dimas Rivera, Mark Montoya, Steve Long, Rebecca Fitts, Rachel Becker and George Hatch. These coaches have volunteered in our City four days a week and coached multiple seasons, sometimes multiple teams at a time. Thank you for spending your time making a difference for the youth in our community.

PAL Thanksgiving – Thank you to our Community and Partners!

PAL Youth, Police Officers, community members and business partners were able to prepare Thanksgiving Dinner kits for nearly 50 South Salt Lake families in need. A special thank you to our business partners: Village Inn, Salt Lake Valley GMC & Dodge, State Farm, Salt Lake Culinary Center and Fresh Market!

Competence

Definition:
The ability to do something successfully or efficiently.

“Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.”

Promise South Salt Lake Neighborhood Center Spotlight: Lincoln Elementary School

Promise South Salt Lake’s program at Lincoln Elementary School, a United Way Promise Partnership site, serves Lincoln students and their families. Promise afterschool programs at Lincoln support education, health, and community involvement. Activities include the following: homework help and small group tutoring, enrichment activities and Friday field trips. The school also offers pre-school and college prep and career planning services. Principal Afton Lambson has been an amazing partner to Promise South Salt Lake and it is a true privilege to be operating programs at his school.

For more information, contact Center Manager Brandis Stockman, at 801-657-0416 or email bstockman@sslc.com.

Write Here Community Writing Center offers free writing assistance to people of all writing levels and staff members can discuss ideas with participants even if individuals haven’t yet started writing. The writing doesn’t have to be for school or work as any form of writing is welcome. In the past, people have sought assistance on short stories, family histories, résumés—just name it!

Emergency Preparedness

Locate Utility Shut-Off Valves

Some emergencies may require you to turn off your utilities. To prepare for this event, you will need to be able to locate and effectively turn off the gas, electricity and water being supplied to your house. Keep necessary tools near gas and water shut-off valves. All adult members of the family should know how to turn off the utilities. However, if the gas is shut off to the house, a professional must turn it back on. Do not attempt to do this yourself.

Coffee With A Cop

Coffee with a Cop is part of a national initiative to create a place for community members and police officers to come together. There are no agendas or speeches; just the opportunity to ask questions, voice concerns, and the chance to get to know the officers in their local neighborhoods. The South Salt Lake Chamber supports the program to help businesses increase their involvement in the community's safety. The event takes place on the first Wednesday of each month from 9-10 a.m. at Village Inn, 2929 S. State St.

The next session is Wednesday, December 7.

Holiday Safety Tips

The holiday season is upon us, take time to ensure you have a safe and happy holiday season.

Holiday Shopping

While shopping, be mindful of the following safety tips:

- Be aware of your surroundings; look for suspicious persons, etc.
- Remember where you parked your car
- If shopping late in the day or after dark, park where the lighting is bright
- When returning to your car, make sure to keep your car key in your hand
- Avoid carrying large amounts of cash
- Don't leave valuables or purchases in your vehicle

Package Theft

Keep in mind these tips when having items shipped to you:

- Track your packages
- Have neighbors or family members retrieve packages once delivered
- Have packages delivered to your workplace
- Request signature upon delivery, whenever possible

While these steps don't guarantee you will not become the victim of crime, they will reduce your chances of falling prey to criminal activity.

Rock Star - Andy Wagner

Captain Andy Wagner marches forward every day, going above and beyond. He is humble and dedicated to the South Salt Lake Fire Department and to our community. He puts his many talents to good use, taking on new tasks and showing he cares. He has been instrumental in completing several electrical projects for the Fire Department, saving the city money each time.

Captain Wagner is well known among his peers as a person that will reach into his own pocket and financially help citizens that may be struggling and down on their luck. This type of behavior exemplifies the type of person Andy is.

Captain Andy Wagner is respected by many and is viewed by all as a mentor in the ever changing fire service profession. Thank you, Andy, for being a "Rock Star"!
