

DISTRICT 4

JOHNNY MCCONNELL

Email: johnnybike@hotmail.com

I'm a Junior High teacher with a Master's Degree, I've been teaching science to Utah kids for 25 years. I received the prestigious Pinnacle Award for my teaching abilities and accomplishments from the Murray School District.

I am an Eagle Scout, former Scout Master, New York City Boy Scout District Executive as well as a successful business owner. I'm energetic, an independent thinker and I'm able to bring people together to solve problems. I listen to my students, my community, and I will listen to you. I will use my knowledge and resources to bring needed changes to South Salt Lake—making it a better place to live, play, and be.

My wife, Patti, and I moved to South Salt Lake in 2008 and have three incredible grandkids!
