Profile: I have lived in South Salt Lake since 2001. I also have worked in South Salt Lake for the past 12 years, 10 of those at a local credit union.

I have been involved in helping make South Salt Lake a great place to live, work and play! I served on the board for the Chamber of Commerce from 2004-2013. I currently serve as a Planning Commissioner and a Honorary Colonel for the police department.

If elected I plan to encourage economic development -which helps keep our taxes low, support green space, and keep South Salt Lake moving in the right direction.

I want to make sure your voice is heard and that you are aware of the great potential South Salt Lake has.

Vote Portia Mila for South Salt Lake City Council District 4!
