PHYSICAL DEMANDS/WORK ENVIRONMENT

The physical demands and work environment characteristics described here are representative of those that must be met or will be encountered by an employee while successfully performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to sit, stand and talk or hear. The employee is occasionally required to walk, run, use hands to feel objects, tools or controls, and reach with hands and arms. The employee must frequently lift and/or move up to 25 pounds and occasionally lift and/or move more than 100 pounds. Specific vision abilities required by this job include close vision and the ability to adjust focus.

The employee occasionally works near moving mechanical parts. The employee occasionally works in high, precarious places, and exposed to wet and/or humid conditions, fumes or airborne particles, and toxic chemicals. The employee is occasionally exposed to risk of electrical shock. The noise level in the work environment is usually quiet.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of the specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position. The job description is subject to change by the employer as the needs of the employer and requirements of the job change.
