

DISTRICT AT-LARGE

DERK O. PEHRSON

I'm running for Council at Large

I have been self-employed my entire working life. I work in the Real Estate industry. I have had as many as 450 employees at one time. I know what leadership requires and currently my office is located in SSLC. I have great hopes and expectations in SSLC, and so should you.

I am 58 years of age.

I live in SSLC, and every one of my children, as well as my wife and I attended and graduated from Granite High. Our roots run deep here in SSLC. My wife and I have lived our entire life here. You might say the apple didn't fall far from the tree.

We love our community and the people that live here. We feel that some of the greatest treasures one can acquire is the associations and life-long friendships one can develop.

I believe that our community is like a Credit Union, the more deposits of service, concerns for our neighbors, and the genuine interest for others will determine how strong our community will be. We should never luster after the big city feel, and always cherish and embrace the home town atmosphere that we have.

If you would like to contact me, feel free to call me at 801-860-4800 or my email is derkpehrson@gmail.com.

It would be an honor to serve you and we thank you for your support.
