Dear SSL City Recorder,

After consulting with the Lt. Governor's Office---Election Division, I am attaching an amended final filling for my campaign finance disclosures. An in kind contribution was inadvertently omitted from my final form. I forgot to include part of the hours of one of my volunteers helping me the last week of my campaign who also works for a political consulting firm. Part of her time was on the clock of that firm. Other time was simply as a volunteer. She was tracking her own hours and services. After contacting her for a fair market value of the "on the clock" time and resources, I was given an amount of \$180.00 and am amending this return to reflect that amount.

I was told by India at the Lt Governors office that this would not be an issue with them and to simply amend the return, as I am doing.

Thank you,
