

What we are doing:

Removing a temporary construction dewatering pipe and installing a permanent pressurized storm water discharge pipe on the east side of 300 East, starting from the new Woonerf Drive (on the south side of the Zellerbach property) and going south to the SE corner of Haven and tying into an existing storm box.

Details of what we are doing:

5/3/17 Set-up the traffic control for the parking lane drop and flagger signs, the traffic control plan was previously submitted and approved by the City for the parking lane drop and lane shift and temporary driveway access coordinated with the home owners.

Construction to start 5/3/17 saw-cut asphalt, remove asphalt, dig trench, install utilities, compact fill into trench with vibratory equipment, repave, re-stripe pavement markings.

Note, we will working in segments of pipe length at a time and the entire work area will not be under construction at the same time until we do the asphalt paving work.

Hours of operation: Monday – Friday 7 AM to 7 PM typical– with up to 10 PM possible if an issue is encountered that requires extended hours to make safe,

Saturday work is possible from 7 AM to 4 PM with up to 10 PM possible if an issue is encountered that requires extended hours to make safe.

Duration: Estimate a 2 week operation for the utility work. The asphalt pave and paint will occur at a later date outside this 2 week window.

The work site will be secured from the public while being worked with signs, tape, flagging, barricades and supervision. After hours the work site will be secured with trench plates and barricades, tape and signage as needed.

Thank you for your assistance in the matter, all reasonable care will be provided for a safe and professional installation without causing harm or damage to existing utilities in the roadway, private and public improvements, and most importantly, the homeowners, public using the sidewalks, bike lane and roads.

If you have any concerns or question, please feel free to reach out to us so we can assist you.

Heather S Talenah (PM) 801-674-6029 or Trey MacKay (Superintendent) 801-503-7545
